## Technical Details

|                            |                      |
|----------------------------|----------------------|
| SKU or PN :                | 41251PFA-X           |
| # of Conductors :          | 2                    |
| Conductor Gauge Size :     | 18 AWG               |
| Conductor Type :           | Stranded             |
| Conductor Material :       | Nickel Plated Copper |
| Strand Count :             | 7                    |
| Insulation Material :      | PFA                  |
| Color Code :               | Black/Red or Custom  |
| Shield (Y N) :             | No                   |
| Shield Type :              | None                 |
| Jacket Material :          | Extruded PFA         |
| Temperature :              | -80°C to 260°C       |
| O.D. (Inches Nom.) :       | 0.158                |
| Outer Diameter (MM Nom.) : | 4.01                 |
| Weight /LBS per 1000FT:    | 23                   |
| Item Type :                | PFA/PFA Cable        |
