Cables for Every Environment™

## Technical Details

|                                      |                 |
|--------------------------------------|-----------------|
| SKU or PN :                          | SR-4/0-UL3214   |
| # of Conductors :                    | 1               |
| Conductor Gauge Size :               | Gauge 4/0       |
| Conductor Type :                     | Stranded        |
| Conductor Material :                 | Tinned Copper   |
| Strand Count :                       | 259             |
| Insulation Material :                | Silicone Rubber |
| Insulation Thickness (Inches Nom.) : | 0.08            |
| Shield (Y N) :                       | No              |
| Shield Type :                        | None            |
| Temperature :                        | 150°C           |
| O.D. (Inches Nom.) :                 | 0.766           |
| Outer Diameter (MM Nom.) :           | 19.45           |
| Voltage :                            | 600 Volts       |
| Approvals :                          | UL AWM 3214     |
| Weight /LBS per 1000FT:              | 803             |
| Item Type :                          | SR Wire         |
