[Cables for Every Environment™](#)

## Technical Details

|                         |                                    |
|-------------------------|------------------------------------|
| SKU or PN :             | 21660                              |
| # of Conductors :       | 6 Conductors                       |
| Conductor Gauge Size :  | 20 AWG                             |
| Conductor Type :        | Stranded                           |
| Conductor Material :    | Bare Copper                        |
| Strand Count :          | 7                                  |
| Insulation Material :   | LS PVC                             |
| Color Code :            | Black/Red/White/Green/Brown/Blue   |
| Shield (Y N) :          | Yes                                |
| Shield Type :           | Overall Foil Shield and Drain Wire |
| Jacket Material :       | LS PVC                             |
| Temperature :           | 75°C                               |
| O.D. (Inches Nom.) :    | 0.209                              |
| Voltage :               | 300 Volts (Power Limited)          |
| Approvals :             | CMP CL3P RoHs                      |
| Weight /LBS per 1000FT: | 41                                 |
| Item Type :             | Plenum Cable                       |
