|--------------------------------------|------------------------------------------|
| SKU or PN :                          | SOOW-18/37                               |
| # of Conductors :                    | 37                                       |
| Conductor Gauge Size :               | 18                                       |
| Conductor Type :                     | Stranded                                 |
| Conductor Material :                 | Bare Copper                              |
| Strand Count :                       | 16/30                                    |
| Insulation Material :                | Synthetic Rubber                         |
| Insulation Thickness (Inches Nom.) : | 0.03                                     |
| Color Code :                         | ICEA Method 1 - Table E-1 (See attached) |
| Shield (Y N) :                       | No                                       |
| Jacket Material :                    | Black CPE                                |
| Temperature :                        | 90°C                                     |
| O.D. (Inches Nom.) :                 | 0.98                                     |
| Outer Diameter (MM Nom.) :           | 24.89                                    |
| Amps* :                              | 2.5                                      |
| Voltage :                            | 600V                                     |
| Approvals :                          | (UL) SOOW CSA MSHA RoHs                  |
| Weight /LBS per 1000FT:              | 570                                      |
| Item Type :                          | SOOW-UL                                  |
