Cables for Every Environment™

## Technical Details

|                                      |                                          |
|--------------------------------------|------------------------------------------|
| SKU or PN :                          | SOOW-14/12                               |
| # of Conductors :                    | 12                                       |
| Conductor Gauge Size :               | 14                                       |
| Conductor Type :                     | Stranded                                 |
| Conductor Material :                 | Bare Copper                              |
| Strand Count :                       | 41/30                                    |
| Insulation Material :                | Synthetic Rubber                         |
| Insulation Thickness (Inches Nom.) : | 0.045                                    |
| Color Code :                         | ICEA Method 1 - Table E-1 (See attached) |
| Shield (Y N) :                       | No                                       |
| Jacket Material :                    | Black CPE                                |
| Temperature :                        | 90°C                                     |
| O.D. (Inches Nom.) :                 | 0.883                                    |
| Outer Diameter (MM Nom.) :           | 22.43                                    |
| Amps* :                              | 7                                        |
| Voltage :                            | 600V                                     |
| Approvals :                          | (UL) SOOW CSA MSHA RoHs                  |
| Weight /LBS per 1000FT:              | 482                                      |
| Item Type :                          | SOOW-UL                                  |

\*: \* Ampacity is based on NEC Table 400.5(A)

\*\*: All data and dimensions are nominal and subject to industry standards and may vary according to plant of manufacture.

\*\*\*: Data is provided for informational purposes and does not create a binding obligation nor liability to the seller. Data can change without notice.
