Cables for Every Environment™

## Technical Details

|                                         |                          |
|-----------------------------------------|--------------------------|
| SKU or PN :                             | SJOOW-12/4-Yel           |
| # of Conductors :                       | 4                        |
| Conductor Gauge Size :                  | 12                       |
| Conductor Type :                        | Stranded                 |
| Conductor Material :                    | Bare Copper              |
| Strand Count :                          | 65/30                    |
| Insulation Material :                   | Synthetic Rubber         |
| Insulation Thickness<br>(Inches Nom.) : | 0.03                     |
| Color Code :                            | Black/ White/ Red/ Green |
| Shield (Y N) :                          | No                       |
| Jacket Material :                       | Yellow CPE               |
| Temperature :                           | 90°C                     |
| O.D. (Inches Nom.) :                    | 0.47                     |
| Outer Diameter (MM Nom.) :              | 11.94                    |
| Amps* :                                 | 20                       |
| Voltage :                               | 300V                     |
| Approvals :                             | (UL) SJOOW CSA MSHA RoHs |
| Weight /LBS per 1000FT:                 | 150                      |
| Item Type :                             | SJOOW 300V               |

\*: \* Ampacity is based on NEC Table 400.5(A)

\*\*: All data and dimensions are nominal and subject to industry standards and may vary according to plant of manufacture.
